A -The invitations sent out to businesses in Southend to visit the consultation public workshops contained incorrect dates for the meetings. As a result I missed the 2 sessions that were for businesses and was not able to have my say.

“Have your say on future development of Southend’s town centre and central seafront “

Please see 2 attached letters showing the workshops on 21st Jan 10am to 1230pm, and 6 pm to 830 pm.

The actual workshops for businesses were on 20th Jan 3pm to 4pm and 21st jan 8am to 9am.

B - This submission form downloadable from the council's website is in a pdf format which can't be edited. Thus many businesses / residents have not been able to email their representations to the council.

Responses can also be made using the **Representation Form** and emailed to **ldf@southend.gov.uk**.

C – The online submission process is very difficult to navigate. It is time consuming and not at all user friendly, and does not allow for attachments to be submitted. Due to this many businesses / residents wanting to submit an online representation would simply give up.

Dear Occupier

Have your say on our vision for the town centre and seafront

We are writing to invite you to have your say on our vision for the development of Southend's town centre, seafront and neighbouring areas over the next five years.

Our vision is contained within a document called the Southend Central Area Action Plan (SCAAP) and is available online at: www.southend.gov.uk/scaap

In this document, we have set out our preferred approach to the future development of the Southend Central Area, which includes the Town Centre, Central Seafront Area and adjacent neighbourhoods of Victoria and Sutton. We are asking local residents and business share their views by **15 February**, so that we can take these into account as we fine-tune this document.

We have divided the Southend Central Area into a number of 'Policy Areas', each with its own set of policies and proposals. We have also identified a number of individual 'Opportunity Sites', whose development would benefit the town. The SCAAP also seeks to protect and enhance green space and other environmental features of the town and foreshore, as well as bring about more attractive public spaces and improve access and transport.

A map displaying the location of all Opportunity Sites can be found online here: http://www.southend.gov.uk/downloads/file/4016/map_a_%E2%80%93_scaap_policy_area_s_site_allocations_and_outstanding_sites

Dear Consultee

Have your say on future development of Southend's town centre and central seafront

Residents, businesses and other stakeholders across the Borough are invited to help shape the Council's vision for the future development of the Town Centre and central Seafront over the next five years.

Southend-on-Sea Borough Council has prepared a Preferred Approach Southend Central Area Action Plan (SCAAP). The purpose of the SCAAP is to give more detailed consideration to how and where regeneration and growth can sustainably be accommodated in the Southend Central Area, including

th Town Centre, Central Seafront Area and gateway neighbourhoods of Victoria and Sutton. It contains proposals for 'Policy Areas' and 'Opportunity Sites' aimed at strengthening and transforming Southend Town Centre's sub-regional role as a successful retail and commercial destination, cultural hub and educational centre of excellence, leisure and tourist attraction and an excellent place to live.

It also seeks to safeguard, conserve and enhance the significant biodiversity, green space and other environmental resources in the area and on the foreshore, as well as to bring about public realm and access improvements.

The Preferred Approach version of the SCAAP is accompanied by a Policies Map, a Sustainability Appraisal Report and non-technical summary, a Consultation Statement and relevant supporting background documents.

The Plan can be viewed and commented upon by visiting www.southend.gov.uk/scaap.

Southend Borough Council would welcome your views on the draft SCAAP by 15th February 2016.

Your comments will then help shape the production of the final version of the Plan.
