mr steven lawrence,

Thank you for your representation which we received as follows:

Representation ID: 2503  
Document: Southend Central Area Action Plan (SCAAP) - Revised Proposed Submission 2016  
Section: Map 4 - Car Parking, Access and Public Realm  
Support/Object: Comment

I think the development of Seaway & Tylers car parks is a mistake. These are critical car parking areas for day visitors and local residents. We are local residents and have young children. using public transport is a totally impractical option. We will just avoid Southend entirely if there is nowhere to park. We'll end up going to Chelmsford or Lakeside shopping instead.
